

Be creative: Finding and applying activities to your online classes

Primary learners

Regular school in Brazil

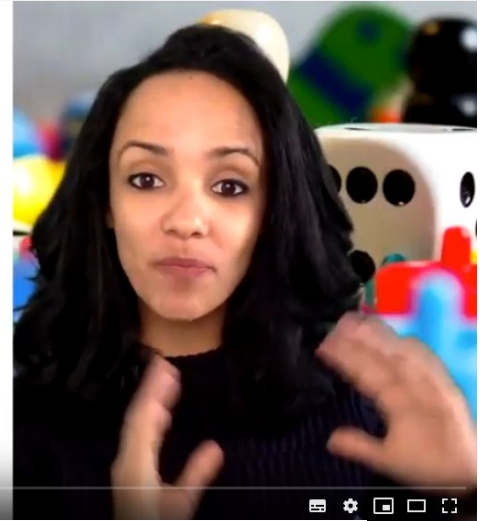

30 students per class

How to create and play board games in **your** online classes

0:04 / 13:32

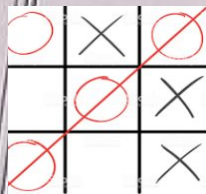

The Teacherr by Lachesis Braick

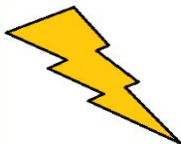

150 inscritos • 18 videos

English teacher.

- Memory Game to practice vocabulary
- Hangman to introduce a new topic
- Tic Tac Toe to practice language structure

What's this? This is a _____.
What are these? These are _____.

FEEDBACK

Shy students were engaged in the games

“Are we going to finish playing the hangman today?”
“Are we gonna play the memory game today?”

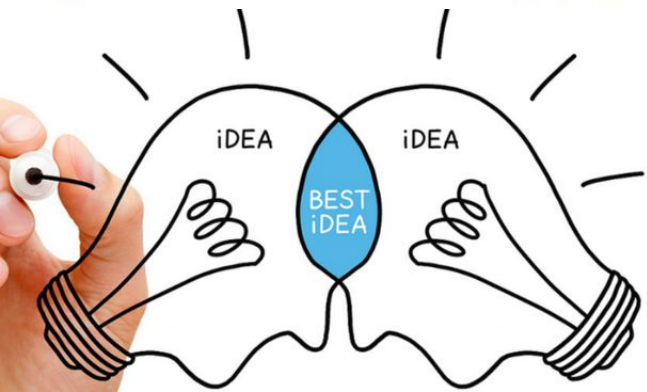

Games allowed students' interaction

**“You don’t have to reinvent the wheel,
just attach it to a new wagon.”**

Mark McCormack

Thank you!
