

Welcome to ELT Ireland Professional Participation Pathway Recognising Professional Engagement Across the Irish ELT Sector

The Professional Participation Pathway (PPP) recognises your commitment to professional growth and engagement with the ELT community in Ireland.

By participating, you can gain annual recognition for your CPD through tiered awards that reflect your level of contribution – from active participation to leadership.

Your award can be added to your CV and LinkedIn profile, giving you a visible, sector-recognised credential that highlights your professionalism.

The PPP supports your career development, builds confidence, and connects you with a network of peers, resources, and opportunities to collaborate and share best practice.
